Our Philosophy

Magical Beginnings provides a safe, secure, caring, environment. We encourage academic, emotional, social, and physical growth for every child. We offer each child a variety of activities that will enhance these areas of development. We feel that getting to know the parents and focusing on their expectations, values, and goals will assist our staff members to work effectively with each child.

Our Goals

Academic:

We will help the children develop good listening skills, and teach them to follow directions by planning a daily curriculum.

Emotional:

We will encourage independence and help each child develop a positive self esteem.

Socially:

We will teach the children how to be part of a group, respect each other, and care for each other's longings.

Physically:

We will offer activities for both fine motor and large motor development.

Our Schedule

We are open 7:00 am to 5:30 pm
Monday thru Friday year round.
